FIRST Tech Challenge Referee Training

Saturday, November 12, 2022

9:30am - 12:30pm

Russ Research Center

2670 Indian Ripple Rd; Beavercreek Township, OH 45440

Please RSVP at this link: <https://forms.office.com/r/CLq0zXvmVz>

This will include an in-depth review of 2022-2023 *FIRST* Tech Challenge Game Manual, including a walk-through of all game procedures and rules as it pertains to the referee role. This workshop is open to those intending to volunteer this season as a *FIRST* Tech Challenge Referee at scrimmages and/or official FTC events. No prior *FIRST* experience is required to be a referee but the volunteer must be willing to build a thorough knowledge of the competition, game, and rules of play. We will begin in a classroom setting and end with a field walk.

Please bring a laptop or suitable portable device for referencing the official game manuals and related resources. Must be 21 years or older to be an official FTC referee.

Please reach out to Ohio's Head Referee Paul Smith with any questions:
