

TOWN MAP

1. Using a blue crayon or marker, trace a path from Larry's House to Kim's House.
2. You are out running errands after visiting your Mentor the Chief of Police. Using a red crayon or maker, trace the path you would use to travel from the Police Station, North on Orange Avenue, East on Andrews Street, South on Maple Lane, and then stop at the Supermarket. Return by heading West on McBean Street, ending back at the Police Station.
3. You and a friend are out on a run. Using a green crayon or maker, trace your path from the Police Station, North on Orange Avenue, East on Andrews Street, South on Maple Lane, West on McBean Street, and return to the Police Station. Your friend continues South on Maple Lane, goes West on DeYoung Street, meeting you at the Police Station.
