

ZAHRAH:

We need to find a way to create more energy, without harming the planet.

GEORGIA:

Everyone wants to communicate with their families at home, but we can't all use our system at the same time.

HANNAH:

I ate some berries growing by the river, but they made me sick. How can we find out what natural foods are safe to eat?

INDIA:

When our rocket ship landed, we polluted the lake with oil.

IZZY:

We are building shelters, but we don't have enough for everyone yet.

KAILA:

Our camp fire almost got out of control last night. We don't have a fire department yet. What would we do if a fire started?

KYRA:

I'm getting homesick. What can we do so we don't forget where we came from?

KENNEDY:

We hadn't planned for this, and our garbage is piling up pretty quickly.

LAUREL:

The sun is stronger here, and our sun bock doesn't seem to be working as well.

LILA:

I miss the sports and games we used to play at school, but we didn't bring enough equipment for everyone.

TALIA:

Night lasts a long time here, so it's dark a lot, but we have a lot to do.

MAI:

We don't have a lot of people getting sick, or injured, but we don't have a hospital built yet for the people that do need help.
