

Name: _____

Rocketry - Testing Thrust Data Sheet

First Rocket – First Launch:

What planet did you aim for? _____

What planet did you land closest to? _____

What caused your result? _____

First Rocket – Second Launch:

What planet did you aim for? _____

What planet did you land closest to? _____

What caused your result? _____

Can you improve the thrust?

Second Rocket – First Launch:

What planet did you aim for? _____

What planet did you land closest to? _____

What caused your result? _____

Second Rocket – Second Launch:

What planet did you aim for? _____

What planet did you land closest to? _____

What caused your result? _____
