

STEM TEACHER MAKER CAMP

FEATURING

micro:bit

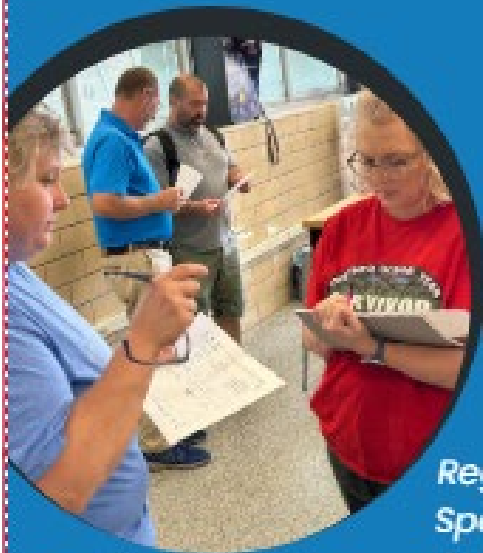

Calling all educators! The Dayton Regional STEM Center, in collaboration with WPAFB STEM Outreach and the WOW! project, presents a two-day workshop featuring hands-on learning with Micro:bit and Finch Robot. Connect with local resources and like-minded educators to spark ideas for STEM inspired lessons!

Sponsored by The ESF of Dayton and DoDSTEM.

Participants receive:

- \$100 stipend
- Micro:Bit V2 10pk
- Finch Robot
- Free lunch

REGISTER HERE
